Proficient in React.js, Node.js, Express.js, MongoDB, and modern UI/UX design tools. Combines technical depth with strong design thinking and creative problem-solving to deliver scalable, user-centric solutions.

TECHNICAL SKILLS

Frontend: React.js, TypeScript, JavaScript (ES6+), HTML5, CSS3, Responsive Web Design

Backend: Node.js, Express.js, RESTful APIs

Database: MongoDB

Design Tools: Figma, Adobe Suite, UI/UX Design, Graphic Design

Other: Git, Project Management, Agile/Collaborative Development, Communication & Teamwork

EXPERIENCE

Full-Stack Developer

Brighter India

Dec 2025 – Aug 2026

Bengaluru, Karnataka, India

- Built the RO Access Portal, a React/TypeScript web application for Returning Officers to conduct, evaluate, and publish Indian election data under the Election Commission of India.
- Led UI/UX design end-to-end and integrated a Firebase-based real-time notification system alongside a PHP/MySQL backend.
- Owned front-end and back-end development together, shipping a scalable, web-compatible platform for internal election workflows.

Graphic Design Intern

Krearty International

Jun 2024 – Sep 2024

Maharashtra, India

- Edited and composited client photographs into polished layouts using graphic design tools, directly informing artists' handmade portrait output.
- Managed multiple client briefs simultaneously, delivering layouts on time while meeting individual client specifications.
- Strengthened attention to detail and visual communication skills, contributing to improved client satisfaction outcomes.

EDUCATION

Masai School

Full-Stack Software Development – MERN Stack

Sep 2024 – Jun 2025

Bengaluru, India

Vikram Deb University, Jeypore

Bachelor of Science (B.Sc.) – Physics

Nov 2021 – Apr 2024

PROJECTS & ACHIEVEMENTS

ResuMeUp – Resume Builder Website | *React.js, Node.js, Express.js, MongoDB*

GitHub · Live

- Engineered a full-stack Resume Builder using the MERN stack.
- Architected a responsive SPA with real-time preview functionality.
- Integrated PDF generation for faster resume creation.

Soulartistics – Designer Website | *React.js, React Router, CSS*

GitHub · Live

- Engineered a responsive portfolio SPA using React.js.
- Built a modular architecture with React Router for scalable UI development.
- Implemented responsive layouts with custom CSS for pixel-perfect consistency.
